Come Out With Pride Accepting Applications For 2016 Scholarship and Grants Awards

Orlando — September 12, 2016. Come Out With Pride (COWP) is accepting applications for its 2016 scholarships and grant awards. The main purpose of the scholarship awards is to support and educate our community by helping deserving recipients pursue their goals.

Every year COWP allocates funds towards scholarships and grants. The COWP Board evaluates the needs of local LGBTQ organizations, LGBTQ students and LGBTQ allies who all do an outstanding job educating and providing services to the community towards acceptance and equal rights. Previous grant winners in 2015 included The Barber Fund, MBA Orlando and The Center.

This year COWP is focusing on three areas: LGBTQ Health and Wellness, LGBTQ Economic Development and LGBTQ Education. Interested candidates can start their application process by submitting their form at the following link: <http://comeoutwithpride.com/about/pride-gives-back/>
